Just from Julie

This newsletter is for July, August, and September!

Due to the rise in COVID-19 cases in our community, our lobby remains closed. We want to protect our valued customers, as well as our staff and their families. If you do need to come inside of the bank, please give us a call at 262-3340 and we will do our best to set up an appointment for you.

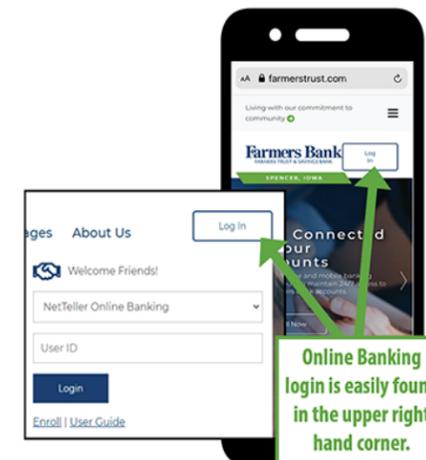

With that being said, we have made the difficult decision to cancel/postpone all Adventure Club trips through the end of the year. There is no way to social distance on the motor coach, and many vendors are not taking large groups. Unfortunately, the uncertainty of what may happen is not worth the risk.

If you have any questions, comments, or concerns, please contact me or Debbie, as we are always available for you. On a brighter note, our construction project is moving along as planned. The crews have had great weather to get a lot of work done!

NOTE: If you are receiving your newsletter by e-mail and your provider is SMU, make sure to find a new provider before June 2021, when that service expires. Please provide us with your new address.

NEW!! Beginning July 21, we will introduce you to our new and improved website! At Farmers Bank, we're always looking for new ways to meet the needs of our customers, making banking easier and more convenient.

We've been developing new ways for you to bank online and with your mobile device. Our latest step forward has been to rebuild our website, Farmerstrust.bank. Designed from the ground up and focused on our customers, our new website is an updated digital experience for all of your banking needs. **Note: you may want to update your website bookmark to www.farmerstrust.bank.**

Upcoming Events

Adventure Club • July, Aug., & Sept. 2020

NOTE: No Customer Appreciation Days until further notice due to the COVID-19 Pandemic and our remodeling project.

Independence Day Saturday, July 4

Independence Day is a federal holiday in the United States commemorating the signing of the Declaration of Independence on July 4, 1776. Celebrate – be safe – wash your hands – and remember social distancing.

Farmers Bank drive-up will not be open. Are you using all the products and services we have available? ATM, debit card, online banking, mobile deposit, and much more. Please give Laurie, Kelsie, or Suzi a call for more information on the products we offer.

"Million Dollar Quartet" Cancelled

We have been notified that the Old Log Theatre is closed at this time and they are not sure when they will be able to reopen. **Everyone that had signed up has been refunded.**

Discover Ireland Postponed

We have decided for the safety and wellness of everyone traveling, postponing this trip until next year is the only option we have at this time.

We will be reaching out to everyone who had already signed up for this adventure to let you know our plans.

Labor Day Monday, September 7

This U.S. National holiday is a celebration of the American worker and the great American work ethic. It is also a symbolic end of summer.

Clay County Fair September 12 - 20

"The World's Greatest County Fair" to be or not to be! That is the question. A final decision will not be made until the end of July as to whether the show will go on.

Christmas in Branson Cancelled

The new normal may be the social distancing and wearing masks, which at this time we cannot do on a motor coach or in the theatres. If you had signed up and made the deposit, we have refunded your money. Keep your fingers crossed we will be able to plan this trip again next year.
