Just from Julie

Hope everyone is staying safe, healthy, washing your hands often, and practicing social distancing. As you probably all know by now, in order to protect our customers and their families, as well as our communities we serve, Farmers Bank has temporarily closed our lobby. Due to the CDC (Centers for Disease Control) and the IDPH (Iowa Department of Public Health) about the COVID-19 (Coronavirus), we are committed to doing everything we can to help control the spread of this virus.

With that being said, it is difficult to plan trips and events. Your safety and health are our top concerns. We have canceled a gambling trip and anniversary party so far. If this pandemic continues, there may be more. We're trying to stay positive and will continue our planning.

Farmers Bank lobby is closed to the public until further notice. ATM and night depository will remain open, and as of now, our staff is split with half of the staff available during normal business hours via phone and email to continue assisting customers. The other half of our staff is housed in the north part of the old City Hall building. If you are unable to complete your business online, contact us at 800-249-3340 or 262-3340 to make an appointment with the appropriate staff.

To add to the situation with our remodeling project, our drive-up location will now be the trailer located in the bank parking lot. The hours of 7:30 am until 5:30 pm, Monday thru Friday, will remain the same. Saturday hours are 8:30 am to 11:30 am. Construction will begin on the current drive-up to connect the two existing buildings together. There is no public access inside either building at this time.
